

PROMOTING HARMONY:

Parenting program designed to address emotional dysregulation, social skills, compliance, and parenting competence.

For Parents of Children ages 3-6y

Join the 14-week parenting program for parents while your child participates in a social skill group. Dr. Olson has over 25 years of experience working with families and children with challenging behavior. This parenting program utilizes the evidence-based approach of the Incredible Years Parents & Children Series.

Agenda:

- Building Parent-Child Relationship Through Play
- Academic/Persistence Coaching
- Social/Emotional Coaching
- ABC's of Behavior Management
- Positive Behavioral Support
- Rules and Routines
- Effective Limit Setting
- Dealing with Aggression and Noncompliance

Program Duration: Mondays Sept-Dec 2018 1.5hr/wk

Program Cost: \$1400* (per family--A savings of over \$600 compared to individual sessions!)

Contact Us Now to Schedule an Intake Assessment

Required to determine readiness and fit for the program. Cost \$275**

To be eligible for participation, parents or caregivers must commit to attending the entire 14-week program. Families are also encouraged to enroll their child in the concurrent Wally's Club Social Skills Group.

* payment plans available, please inquire if necessary

**Refunded if referral for alternative approach is recommended

Develop positive parenting strategies in order to:

Promote language and social skill development

Encourage emotion and self-regulation

Develop school/learning skills

Reduce challenging behavior
